

Your opinion and input are very valuable. With it we can continue to evolve and grow the learning experience we provide. We look forward to your insights around:

- Flow and pace of the course?
- How the content is presented?
- What should we cover less of?
- What might we cover more of?
- What might be missing?
- What was most useful and not so much?
- How was the facilitator?

* 1. What worked well?  0

* 2. What could be done differently?  0
