

# The Wheel of Small Business Mastery for Coaches *Part One*

## How to use this template?

This exercise is designed to take a snapshot of the current situation across variety of categories. This way you have an idea what you're happy with and what needs some extra work. Give a rating from 1 to 5 in each category, one being you're totally unsatisfied and five means that you're on track. Then on the next page, fill out what you're happy with and why and what needs some work and how do you think you can improve the situation and what steps you can take to get on the right path.
